1878 THE QUEBEC CENTRAL RAILWAY, Sherbrooke, PQ
First & Second Bill of Exchange for £5000.

It is extremely rare to find any Bills of Exchange for this early period, but to find a matching pair of 1st and 2nd Bill of exchange is a first for me in 36 years in the revenue stamp business. The tax rate was 1c per \$100 if the Bill was issued in 3 parts. Each has on the front "Sherbrooke April 2, 1878 Accepted, Payable at the Bank of Montreal, Birchin Lane, London, England. The Quebec Central Railway and signed by the company President and Secretary Treasurer. On the back they are endorsed "Pay to the Railway Steel Plant Co. Limited or order and signed "Bowen Woodward". The railway did a major expansion at this time into Thetford Mines to market the newly open asbestos mines. 1 note has \$2.42 affixed with **FB53 - \$2** black & red + 40c blue + 2c orange. The other has \$2.43 affixed **FB53-\$2 + 40c + 3c green.**

Third Bill issue \$2 and \$3 Dollar values are extremely rare on document.

Unique matching pair with Spectacular designs and historic Railway memorabilia - nice condition - \$995

RARE - 1940 QUEBEC TOBACCO TAX STAMPS

These attractive engraved tobacco revenue stamps were designed and printed by the American Bank Note Co for use in the province of Quebec to pay the 10% tobacco tax. Until recently these were completely unknown. The American Bank Note Co actually printed the self-adhesive decal type stamps, but none of the actual stamps have been seen by collectors. An exceptional article about these was published in the September 2003 issue of the Canadian Revenue Society newsletter by Chris Ryan.

From the American Bank Note Co records we know that only 1 sheet each of the 2c, 3c, 5c, 10c, 15c, 20c and 25c green Plate Proofs on card survived.
