**THANK YOU VERY MUCH** for the 100's of phone calls, cards and emails - they were such a great help to me during this most difficult time. It is nice to know that I have so many friends all around the world.

**This ReveNews** is just loaded with goodies, rare items, great bargains. I have made some great purchases at very reasonable prices and am passing on the savings.

**To order** please call me on the toll free phone number or send an email, please leave a detailed message with the items you wish to order as most are one of a kind and are sold to the first buyer.

**SUBSCRIPTIONS** - please note that we do not send out renewal notices when your subscription has expired. If you are a regular buyer from our ReveNews, auctions or websites then no need to worry as we will continue to keep you on our mailing list, all others please check the expiry date on your address label.

If you like our newsletter but don't wish to subscribe you can always wait until it is posted on our website, however by then most of the goodies and bargains will be gone.

**Our subscription rates are a bargain** - if you are a serious collector you can't afford to miss our mailings.

Our current "Canadian revenue stamp catalogue", the 31st Anniversary edition, is now about 7 years old and many prices are obsolete. Like everything else it is simply a question of supply and demand. More common revenues continue to be available at low prices, but scarce and rare items are getting more difficult to find and consequently expect to pay more for them.

**OUR WEBSITES are the #1 source** and feature MORE

Canada revenues, Telephone & Telegraph Franks, Duck stamps, Wildlife Conservation stamps and Canada Semi-Official Air Mail stamps & covers than any other website.

over **8000 items**

**[www.canadarevenuestamps.com](http://www.canadarevenuestamps.com)**

If you don't see what you are looking for, just ask for it or send your wantlist. Chances are that I have it in stock. Hope to hear from you soon.

## ELECTRICITY METER CERTIFICATES

with Electric Light Inspection stamps affixed. Attractive small size documents ± 6½" x 10" in fresh condition. They are the perfect size to fit on a standard album page. These are the "postal history" of revenues. The documents went through numerous printings over the years with sometimes considerable changes, all are type "L7" in the upper left corner. The documents are inscribed "Gas & Electricity Inspection Service". Alternate choices appreciated - many are 1 of a kind. Some early documents show interesting "CANCELLED" cancels. Nice condition, but these are over 70 years old, some document may have small pieces missing or other small faults or some toning. offered subject unsold. Satisfaction guaranteed or money back.
