Our current "Canadian revenue stamp catalogue", the 31st Anniversary edition, is now almost 8 years old and many prices are obsolete. Like everything else it is simply a question of supply and demand. More common revenues continue to be available at low prices, but scarce and rare items are getting more difficult to find and consequently expect to pay more for them.

OUR **WEBSITES** are the **#1 source** for Canada revenues, Telephone & Telegraph Franks, Duck stamps, Wildlife Conservation stamps and Canada Semi-Official Air Mail stamps & covers than any other website.
