The current "Canadian Revenue Stamp Catalogue", 31st Anniversary edition, is completely sold out - I have been busy working on the new edition - with a bit of luck and time permitting it will be available by the end of this year. Watch our website for details.

WWW.CANADAREVENUESTAMPS.COM

Make sure to subscribe to our free electronic mailing list to get the latest update on the new catalogue and to be informed of new additions to website stock, etc.

All orders are filled in order received. Please be patient if you don't get an immediate response to your order, phone call or email inquiry. Since Laurie passed away last year I have been running the business on my own and there is just not enough time in the day - your understanding will be very much appreciated.

Cdn\$ and US\$ are currently about at par, but has been fluctuating wildly. All prices shown are in Cdn\$. Exchange rate is subject to change without notice. Easiest is to pay by credit card, your card company will automatically handle the exchange rate.

You can combine purchases from the various pages to get the higher discount.

Our current "Canadian revenue stamp catalogue", the 31st Anniversary edition, is now 8 years old - most prices are obsolete. Common revenues continue to be available at low prices, but scarce and rare items are more difficult to find and expect to pay accordingly.

OUR WEB SITES are the #1 source for Canada revenues, Telephone & Telegraph Franks, Duck stamps, Wildlife Conservation stamps and Canada Semi-Official Air Mail stamps & covers than any other website.

Spectacular 1897 Tobacco Colour Proofs on thin india paper by the American Banknote Company

Spectacular fresh designs with "18--" date in year section. Some very trivial minor faults as is absolutely normal for these. Once in a life-time opportunity to acquire these beautiful items.

These are among the most beautifully engraved stamps ever issued anywhere. Stamp at left is black, the other is green. Stamps are shown at 75% of the actual size - \$1595 for both.

Office will be closed
August 14 - Sept 2.
 I will have a booth at the
 BNAPS show in
 Halifax, Nova Scotia
 August 29 - 31, 2008

This issue will be available on our website before it goes in the mail and is a trial to see how many of you prefer this much faster and more efficient means of delivering the latest "ReveNews" newsletters.

By using the internet I can give you much better and faster newsletter service. At the same time we can do our share for conservation by using much less paper, you can still print it out, in colour or b & w on your own printer.

Postage costs will be greatly reduced. With no staff it will mean that I can continue to run the business more easily on my own and have more time to process newly acquired material.

I realize that not all collectors have access to the internet and for those I will continue to provide hard copies via regular mail at a reasonable fee that will cover the cost of printing, postage, etc. (Regular active buyers will continue to receive theirs delivered at no charge).

Your comments are invited and will be very much appreciated.

The office will be closed June 24 - 30.
