My apologies to any collectors who came to the Halifax show and couldn't find my table. My insurance company decided to modify my insurance coverage the day before I left for the show and because of this I did not have the right coverage to bring my stock to Halifax. I spent all of Friday at the show and had the pleasure of seeing a number of long-time customers.

Work on the new Canadian revenue stamp catalogue is progressing well and I anticipate it to be available by the end of this year.

**WWW.CANADAREVENUESTAMPS.COM**

Subscribe to our free electronic mailing list to get the latest update on the new catalogue and to be informed of new additions to website stock, etc. Our website will send you an automatic email confirmation - if you don't get the confirmation that means that your spam filters, your ISP or some other program is filtering your email. AOL, Barracuda and some other ISP's are notorious for removing legitimate email. Please contact your internet provider directly.

*Orders filled in order received.* If you get my voice mail when you call, please be sure to leave a detailed message with the items you wish to order, credit card #, etc. Please be patient if you don't get an immediate response to your order, phone call or email inquiry. Since Laurie passed away last year I have been running the business on my own and some days there is just not enough time in the day - your understanding will be very much appreciated.

*Cdn\$ and US\$ are currently accepted at par,* but has been fluctuating wildly. All prices shown are in Cdn\$. Easiest is to pay by credit card, your card company will automatically handle the exchange rate.

*You may combine purchases from the various pages to get the higher discount.*
