The "2009 Canada Revenue Stamp catalogue" is now in stock. It looks absolutely spectacular and in my opinion is the best edition to date. Thank you for your many kind comments that have been received about this new 2009 edition. It is very gratifying to know that the many hours put into this project are appreciated.

WWW.CANADAREVENUESTAMPS.COM continues to be very popular and a large amount of items have been sold. I now have occasional part-time help which has resulted in a lot of new material being added to the website. Despite the additional help the material on our website seems to sell faster than we can add it.

Subscribe to the free electronic mailing list to get the latest update on the new catalogue and to be informed of new additions to website stock, etc. Our website will send you an automatic email confirmation - if you don't get the confirmation that means that your spam filters, your ISP or some other program is filtering your email.

Orders filled in order received.

If you get my voice mail when you call, please be sure to leave a detailed message with the items you wish to order, credit card #, etc. Please be patient if you don't get an immediate response to your order, phone call or email inquiry. I usually respond within 24 - 48 hours unless I am out of town, in which case I will contact you upon my return. Your understanding will be very much appreciated.

Cdn\$ and US\$ exchange rate. Today Cdn\$100 = ± US\$80. The exchange rate has been fluctuating wildly and rate is subject to change without notice. All prices shown are in Cdn \$. It is easiest to pay by credit card, your card company will automatically handle the exchange rate. You may combine purchases from the various pages to get the new higher discounts.

RARE - 1940 QUEBEC TOBACCO TAX STAMPS

These attractive engraved tobacco revenue stamps were designed and printed by the American Bank Note Co for use in the province of Quebec to pay the 10% tobacco tax. Until recently these were completely unknown. The American Bank Note Co actually printed the self-adhesive decal type stamps, but none of the actual stamps have been seen by collectors. An exceptional article about these was published in the September 2003 issue of the Candian Revenue Society newsletter by Chris Ryan.

From the American Bank Note Co records we know that only 1 sheet each of the 2c, 3c, 5c, 10c, 15c, 20c and 25c green Plate Proofs on card survived.

ONTARIO FISHING STAMPS ON COMPLETE LICENSES

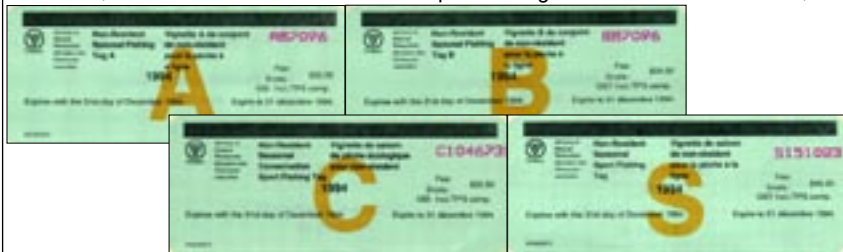

Lots of these stamps on licenses must have been used, but you just never see them. All are **rare Non-Resident** licenses. Licenses have of course been folded as most of these would have been carried in a pocket or wallet. Condition is nice and clean. These are self-adhesive stamps printed on computer type labels. We are located in the heart of fishing country (Kawartha Lakes) yet I have never seen them around here. Stamps shown at 1/2 of actual size. Limited quantity available.
