A number of collectors have reported that they did not receive ReveNews #156. If you did not get your copy just call me on the toll-free number or email me and I will send you a replacement or you can download it from our website.

In this issue a great variety of material including a nice section of Canadian tobacco stamps. Some are quite rare and if there was a current tobacco stamp catalogue I am sure that many would sell for more than I have them priced at.

Canada Post has greatly increased their postage rates once again. Our latest **2010 Duck & Wildlife stamp price list** required the 100 gram postage rate as follows: to Canada \$1.22, to USA \$2 and Overseas \$4. You can just imagine the amount I spent on postage just to mail this one price list. Our mailing list is huge.

If you make no purchases I will assume you are not interested and discontinue sending my newsletters by mail, but you can still access them on the web and print them out yourself. Please subscribe to our electronic mailing list and stay informed about new price lists, website updates, etc.

Convenient monthly no interest instalment payment plans are available. Just call me on the toll free number and we can discuss it.

Orders filled in order received. If you get my voice mail, please be sure to leave a detailed message with the items you wish to order, credit card #, etc. I usually respond within 24 - 48 hours unless I am out of town, in which case I will contact you upon my return.

Cdn\$ and US\$ exchange rate. Today Cdn\$100 = ± US\$95. The exchange rate has been fluctuating wildly and rate is subject to change without notice. All prices shown are in Cdn \$. It is easiest to pay by credit card, your card company will handle the exchange rate.
