SUMMER HOURS: I will be in and out of the office all of July in order to spend time with family visiting from Holland. On voicemail simply leave your detailed message/order including name, address, credit card #, expiry date and 3 or 4 digit validation code and I will fill your order or respond as soon as possible. Only I can access the voicemail, so the info is secure.

This issue took a lot longer to get out than I had originally planned. Various buying trips, stamp shows and an injury from an old car accident prevented me from getting this issue out in a timely fashion.

It is hard to believe, but this year is my 40th year in the stamp business. It has been a great business and has been a wonderful opportunity to make many friends around the world. Am looking forward to help you build your collections for many more years to come.

Convenient **monthly no interest instalment payment plans are available.** Just call me on the toll free number and we can discuss it.

Orders filled in order received. If you get my voice mail, please be sure to leave a detailed message with the items you wish to order, credit card # and 3 or 4 digit security code. I usually respond within 24 - 48 hours unless I am out of town, in which case I will contact you upon my return.

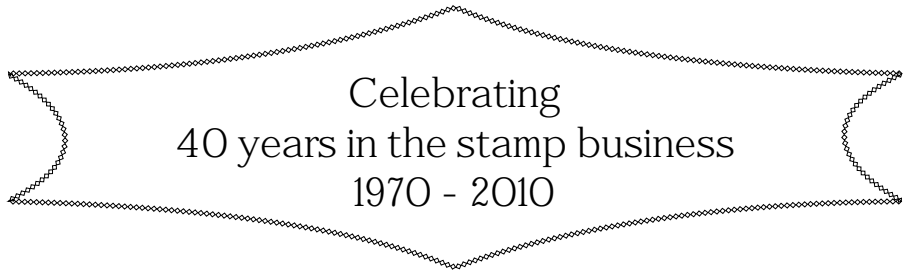

Cdn\$ and US\$ exchange rate is pretty well at par. The exchange rate has been fluctuating wildly and rate is subject to change without notice. All prices shown are in Cdn \$. It is easiest to pay by credit card, your card company will handle the exchange rate.
