**M385\* - 1883 Ten Pounds blue CAVENDISH complete sheet of 12** with spectacular very large complete Watermark. The sheet is in **pristine unfolded** condition, without gum as issued. Due to the large size of the sheet I had to scan it in 2 parts - the software then joined them together. In this case it didn't do a very good job and the joint of the 2 images is in the photo only. There is NO vertical fold nor any other fold to distract from this brilliant Showpiece. Spectacular Victoria design similar to Second Bill and Large Queen issues. This truly spectacular 13 1/2" x 10 1/2" Showpiece is almost 130 years old - \$995

**FB53\* - 1868**  
 Third Bill issue  
 \$2 black and red.  
 perf. 12.

Spectacular block of 25 with imprint and printer guides.

**Stamps are mint never hinged.**

Hinged in selvedge only.

Extremely fresh as if they were printed yesterday.

Cat. value is \$2750+ value of imprints.

Fabulous Showpiece - \$1695

**FB41, 41a - 4c brown 1868 Third Bill issue.**  
 perf. 12 thin paper

*Complete pane of 100 missing the vertical perforations at left thus creating a strip of 10 of FB41a - IMPERF AT LEFT.*

Spectacular condition, mostly "NH".

Complete with "FOUR CENTS" counter at top and total of four "British American Bank Note Company" imprints at top and bottom.

Notice also the **perforation errors** at upper left and upper right due to fold over of sheet during the perforating process.

Catalogue value just as stamps is \$1725 + value of imprints and "FOUR CENTS" counter.

Absolutely Spectacular Showpiece.
